Omnitech signs Rs 25 crore contracts

8 Apr, 2009, 11.22AM IST,ECONOMICTIMES.COM

MUMBAI: Omnitech Info Solutions, a business availability and business continuity provider has signed a multi-year contract with companies from Europe and US to offer remote infrastructure management services and virtual CIO offerings with an accumulative deal size of Rs. 25 crore.

In this offering, Omnitech will act as a Virtual CIO, consulting the firm right from IT planning stage to measuring goals and providing a mechanism to measure and monitor improvement.

The company has signed contracts with a European firm – IT Factory and a New York based multi-national company- Astonfield Renewable Resources.
